TEA-TIME | carousel

BIO tea carousel with loose tea

In our tea carousel we regularly introduce you to selected varieties from the six new types of tea listed below. You can tell which varieties are currently up-to-date by the types of tea marked with dots. It is therefore always worth taking a closer look at this page.

BIO Miss Tedox 3,9

Your green tea and herbal tea mixture gets the freshness kick from very fine ingredients such as the spicy spearmint, which goes hand in hand with lemongrass, lemon peel and lemon myrtle and gives your morning tea greeting that certain something.

BIO Choc'n'Chai 3,9

Cinnamon, ginger, cloves and a pinch of fiery chili give you the spicy kick. A good portion of cocoa shells, sweet fennel and a hint of cardamom round off this tasty mixture with intense cocoa notes.

BIO Lederhosen Spirit 3,9

„Lederhosen Spirit“ reminds you exactly of those incomparable moments on the mountain meadow - and all that comfortably at home with a teacup in hand. Every sip smells of spring and warms you up inside!

BIO Train to Assam 3,9

Its exceptionally intense taste pampers your soul and because this tea also proudly bears the FAIRTRADE seal, you feel your karma and know that you are making a contribution to ensuring that this region can remain as pristine as it deserves it.

BIO Mr. Stomach 3,9

Mr. Stomach shows you what anise and fennel can do! Pamper yourself with this combination as well as lemon balm and the freshness of delicious apple pieces, rounded off with sweet apple mint and carob pieces. Let yourself be surprised - this slightly fruity, minty-fresh tea with a cheesy note is a pleasure!

BIO Lemon Lazy Afternoon 3,9

Orange and lemon peel and sweet notes of apple and liquorice bring you wide meadows and flowering avenues into your cup. With a base of white hibiscus, supported by lemongrass, lemon myrtle and ginger, this tea blend will inspire you with its lightness.
